## ACA NEWS

### SCHOOL IS IN!!!

A mighty and heartfelt thanks to everyone who has so graciously donated their time, energy for painting and yard work, talent, vehicles, greenery and live flowers to help us be ready for our opening day on August 13. The school looks wonderful! The quote "It takes a village to raise a child" is certainly true!!! We prayfully thank you for being a part of our village to help us train these young people in Christ!

ACA-Raleigh has received wonderful donations of office and classroom furnishings through the Duke non-profit beneficiary program. We are delighted that we have been able to become a part of this important resource for ACA! God has been so good to us!!

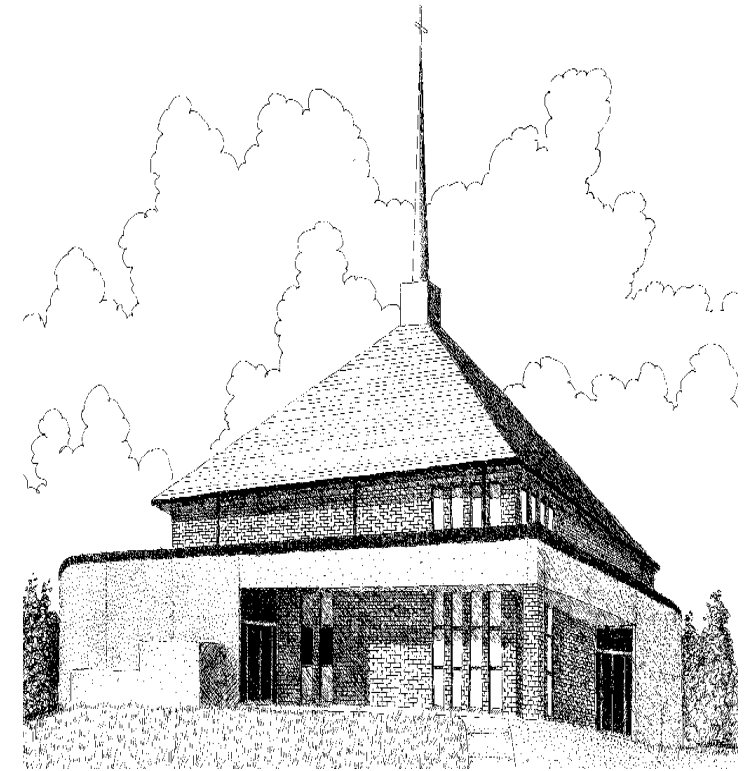

Our largest donation will arrive in late September as we receive 50 (yes, fifty!!) XP computers and monitors for the school!! God is indeed providing for our ministry to the children and the community.

**SPECIAL THANKS** to James Gurkin, son of Jim and Maryann Gurkin!! James is the site construction coordinator for the Family Life Center project and all related projects for our new building. We heartily thank Jim and his team for working so diligently in the record-breaking temperatures last week to make sure that the school would be easily accessible to the staff, students and parents when we opened this week. These folks spent long hours driving machinery to have us ready to go. **THANKS JAMES!!**
