**Women's Ministry:** Quilt classes will be on Sundays, October 14 and 28 at 2:00 PM.

### ACA "Student Spotlight"

Aliz Jimenez: Aliz is the daughter of Maggi and Arnie Jimenez of Raleigh. She is a very bright, talented and hard-working eighth grader at ACA-Raleigh. As a student at ACA, Aliz is constantly challenged to think in ways that will encourage her faith to come alive. During a recent journal assignment, Aliz described what she believes she will experience the first time she sees Jesus. May it be our prayer that each of us envisions the glories of Heaven as clearly as Aliz does with these words:

"He took my hand into His and we walked through the Garden of Eden. We walked until I saw a great plain filled with thousands and thousands of angels singing "Holy, Holy, Holy". As we joined in, all I could hear were the words Jesus was singing. They were pure and perfect in every way. There was no other who could sing like that.

As I spent the rest of the day asking Jesus questions, His eyes would always look gentle and patient. When He would answer, it would sound like He was singing. When He was talking, his words would be the music that enchanted me. I never wanted to stop listening to His voice.

I look at His face. He smiles at me and I see two dimples. I giggle and as He looks at me with great compassion, I see that my smile is just like His.

So I spend all of eternity in the Presence of God. I am living in Heaven, enjoying what He has planned to be ours. It gives me such joy and gratitude to be here.....in Heaven."
