

Did You Know?

Did you know our church recently partnered with Youthville USA to help provide food to underserved children in several counties? The Church Fellowship hall is being used as the staging area for food assembly. Everyday breakfast and lunch for some 2500 children is being prepared right here in our church. What a wonderful opportunity for ministry! There is room for you to volunteer to assist in this important outreach. Just show up at the church fellowship hall any weekday during business hours and the Youthville staff will put you to work and you can be a part of this exciting project.

News You Can Use

We welcome you to the Raleigh Seventh day Adventist Church today. We are glad you are here! If this is your first time visiting with us or you are otherwise new to our church family please take a moment to fill out the inquiry/information card in the pew pocket in front of you. We would love to learn more about you. If you are looking for a new church home we hope you will consider us as we would love to have you as part of our church family.

Thank you to everyone that helped with the ARC cleanup. This was an awesome site to see everyone working together to help get the ARC ready for use. We had such a great turn out that we were able to finish cleaning the ARC in just one day! It is truly amazing what we can do with the help of Jesus Christ in our lives.

ACA moving - We need lots of able bodies to help moving supplies and books from the school building to the new ARC classrooms. No special skills required, just be able to pick books up and place them on shelves and help with moving items from the school. More hands will make the load much lighter. Please consider helping Sunday 7/27 starting at 10:00 am. If you have a truck that is available, that would be a great help.

Please continue to pray for our upcoming Fall Prophecy Series with Dr. Ron Clouzet and Andrews University Seminary Students.

News You Can Use Cont'd
