ACA News

Southern Union will be with us as one of our primary speakers. Dr. Brewer has been involved extensively in cognitive/brain development research. We welcome Dr. Brewer with his insights and statistics concerning the impact of Adventist Education on the longevity of the spiritual walk of our young people.

Also joining us on Education Sabbath will be Bruce Anderson of Forest Lake Academy in Florida. Bruce Anderson is the leader of the AE21 program in Florida. AE21 sponsors our distance-learning high school at ACA Raleigh.

We thank these gentlemen in advance for their willingness to come share with us the value of Adventist Education for grades k4 through 12.

Education Sabbath will signal the official kickoff for pre-registration for the fall semester which will be held the following day.

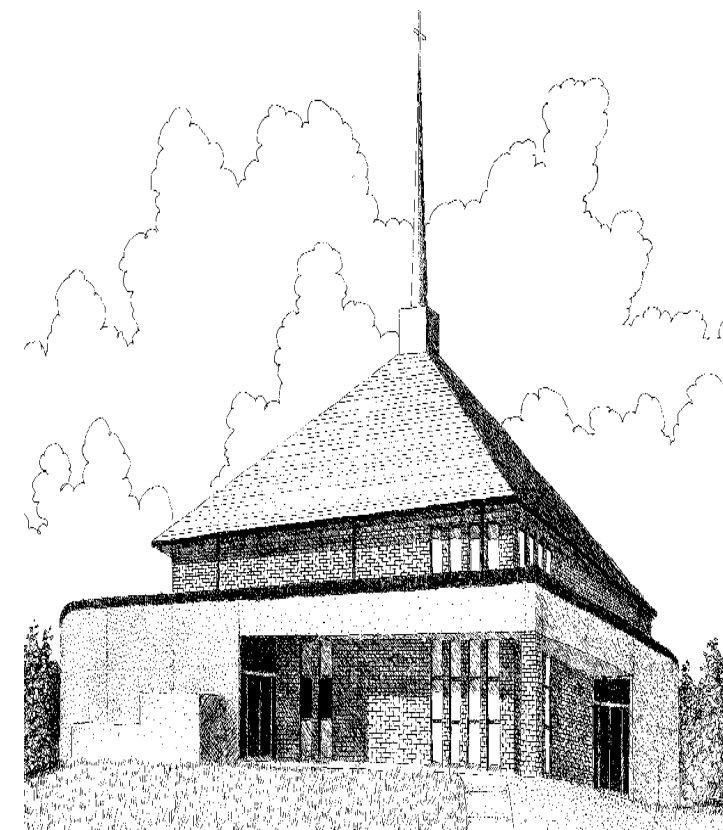

That same week, on Friday, May 1, the k4 class will hold Kindergarten Roundup to connect with k4 students in their families.

If you are interested in speaking to our students during Career Week, please contact Laini Echols, coordinator of this event.
