### ACA News

#### **What is ACA?**

Adventist Christian Academy (ACA) is the largest ministry of the Raleigh SDA Church.

Adventist Christian Academy of Raleigh currently serves grades K4 through grade 12. The Adventist Christian Academy of Raleigh is a small school, family environment with a commitment to providing exceptional academic training in a Christian environment that is focused on preparing your child for a loving, intimate, and lifelong relationship with Jesus. We believe that God has a plan for service for every student. It is our commitment to assist your child in discovering the talents given to them by Christ and prepare them to use these talents to perform their special work for Christ through love and relationship with Him.

The Adventist Christian Academy of Raleigh offers a safe learning environment with small class sizes and attention to our individual students and their needs. ACA Raleigh offers both enrichment and remediation programs to address your child's needs and teach them 'where they are'. Adventist schools traditionally rank higher in national testing than their public school counterparts. The instructional staff of ACA continually refines teaching and learning strategies to fit the needs of your unique student in a way that will honor God.

We invite you to explore the opportunities your family and your student(s) might enjoy as a member of the ACA Raleigh family. You may request further information by calling 919-395-0254 (Summer contact number) or by emailing [wandawilliams@yahoo.com](mailto:wandawilliams@yahoo.com) for more information.

The 2009-2010 school year begins August 10! Now is the best time to discover the Christian services available to you and your family at the Adventist Christian Academy of Raleigh.

Cleaning out that kitchen catchall drawer? ACA can always use additional science supplies such as measuring cups (of all sizes), cooking thermometers, measuring spoons, bowls, funnels, etc as tools in the science curriculum. If you are in doubt as to whether your kitchen gadget is something we can use, send it to us and we will check it out! We thank you for always keeping school needs in mind as you 'toss' items you no longer need at home.

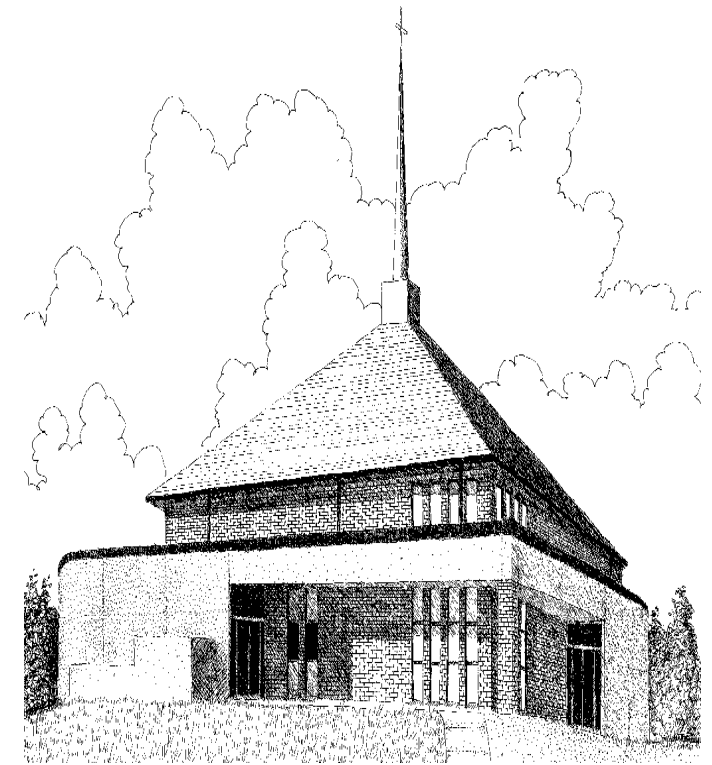

ACA Raleigh and its Distance Learning high school are of vested interest to every member and friend of the Raleigh SDA Church.

Please remember your school in prayer daily!
