

Did You Know?

Each Sabbath there is a short prayer service in the prayer chapel immediately after worship? Anyone who wants to pray or desires to be prayed for is welcome to attend. The prayer chapel is located behind the baptistery on the right side of the sanctuary.

News You Can Use

You can share Pastor Bob's recent series on Revelation by referring people to the church website at raleighadventist.org. There is a tab on the main page to access this series

Are you checking out the Adventist faith? Or are you a new believer in Adventism? How about an old believer who is in need of a refresher in the fundamental beliefs of Adventism? Then come be a part of a brand new Sabbath School class taught by Elders Trevor Lewis and Fred Williams. The class is called "New Believers" but it's also for anyone who wants to learn more about what Seventh-day Adventists believe. It will meet in the mother's room on the piano side of the Sanctuary.

A small group Bible Study for couples, led by Men's Ministry leader Tim McLendon & Pastor Bob, will begin September 12th. It will meet on Sabbath afternoons here in the sanctuary. The focus will be on how to strengthen marriage and have a Godly love for your spouse. Participants should stop by any Christian Book store and pick up a copy the Fireproof Participants Guide.

Mark your calendars! Financial Peace University (FPU) begins September 12th @ 7:00pm. This is a life-changing program that teaches you how to make the right decisions with your money. You'll be empowered with the practical skills and confidence needed to achieve your financial goals and experience true financial peace! If you are interested in this course or have any questions, please contact Chris Clark.

ACA News

A Note from the Principal:

Can you believe it?? We are at the close of our 4th week of school! What a blessing this year's startup has been! What an amazing group of children God has sent us this year!!

Thank you for your cooperation in the new routines we have on campus. These routines have been implemented in an effort to serve you and your student better. However, there is an incredible added benefit for the staff as well. It is wonderful to have time with the entire student/staff body every morning as we start our day together in prayer. What a blessing to bring our family together each and every day in this way.

The classrooms are buzzing with the 'sounds of learning'. We will be continually improving our instructional strategies as we move through the school year. Every day should be better than the last! We glorify God best when we are constantly challenging your students to develop the minds and talents God has given them.

As you know, our primary goal is to have your child meet Jesus in a most loving and personal way. We want them to know the joy that is associated with having Jesus as their best friend. We vow to do all that we can to help get your child into the Kingdom!!!

We believe that Jesus calls each of them by name and it is our humble privilege to help your child learn to hear His voice. We want them to feel that moment in time when they know personally and undeniably that God is completely real and would have died just for them. Wow!! Thank you for allowing us to be a part of that moment!

We know that when you choose where you will educate your child you face a critical decision. We thank you for entrusting us with your child for their spiritual and academic training. We respond to that trust with hard work and loving care for your student.

If you have questions or suggestions, your ideas and thoughts are always welcome here at ACA. We want to hear from you! My door is always open and we as a staff are excited to hear from you!

Calling a few good men (or ladies)!! ACA is looking for help to make science boards so that students can 'experience' the wonders of science in the classroom. The goal is to build reusable kits that can be preserved and will enrich the value of their scientific experience. If you are interested, please call Wanda Williams, principal at 919-395-0254.
