News You Can Use

Have you enjoyed the Pastor's sermon series on the book of Revelation? Then plan now to attend a mid week Bible Study on the book of Revelation that will begin September 9th at 7 PM in the sanctuary. This will be a visitor friendly outreach event. It will be a multi week series designed to take us deeper in our understanding of what the Bible has to say about prophecy and end time events.

Are you checking out the Adventist faith? Or are you a new believer in Adventism? How about an old believer who is in need of a refresher in the fundamental beliefs of Adventism? Then come be a part of a brand new Sabbath School class taught by Elders Trevor Lewis and Fred Williams. The class is called "New Believers" but it's also for anyone who wants to learn more about what Seventh-day Adventists believe. It will meet in the mother's room on the piano side of the Sanctuary.

Ladies mark you calendars now!.....There will be a bridal shower luncheon for Jenna Pomarico at the Armstrong home Sunday, August 30th at 1:00pm. Please make plans in advance to attend. The couple is registered at Bed, Bath & Beyond, Crate & Barrel and Pottery Barn.

First Pathfinder meeting will be on September 2nd at 6:30pm in the fellowship hall. Come join the fun if you are ages 10 to 15!! Contact Aaron or Jeannie Owen if have any questions (779-5939 or steelhur@aol.com) See you on Wednesday night!

Pastor Bob will begin a multi part series on the life of King David next Sabbath, September 5th. This will be a special series you will not want to miss.

A small group Bible Study for couples, led by Men's Ministry leader Tim McLendon & Pastor Bob, will begin September 12th. It will meet on Sabbath afternoons here in the sanctuary. The focus will be on how to strengthen marriage and have a Godly love for your spouse. Participants should stop by any Christian Book store and pick up a copy the Fireproof Participants Guide.

ACA News

Thanks to all ACA family members who attended the school year dedication ceremony on August 9th. We appreciate your support of the school as we dedicate the leadership of the school to Christ.

Many thanks to the Roger Noble family for their donation and delivery of a piano to the 7/8 classroom. We appreciate your generosity!!

Many thanks to Maryann Gurkin, Pam Fitts and Alan Fitts for helping the school push to the finish line to prepare for opening day!

Please begin to pray for the school evaluation which is now only weeks away. This evaluation will become the first step of many as ACA seeks to become an Adventist Education School of Excellence on the elite track known as Journey to Excellence accreditation. With this accreditation will come the immediate award of the SACS accreditation which is so highly valued in the public school system in North Carolina.

We welcome Sandi Gambrell (our K4/K5 teacher) and Angie Bowen (our K4/K5 assistant) to our ACA family!!

We are thankful for the 2009 school board decision that requires all staff in K4-8, whether full time or part time; local hire or conference employee, to be on an active certification track. We have received notification this week of certification eligibility for Sandi Gambrell and Angie Bowen. We are thankful to Sandi and Angie for the due diligence they have given to the certification process as we strive to entrust the care and education of our students to present only the best and most qualified staff at ACA.

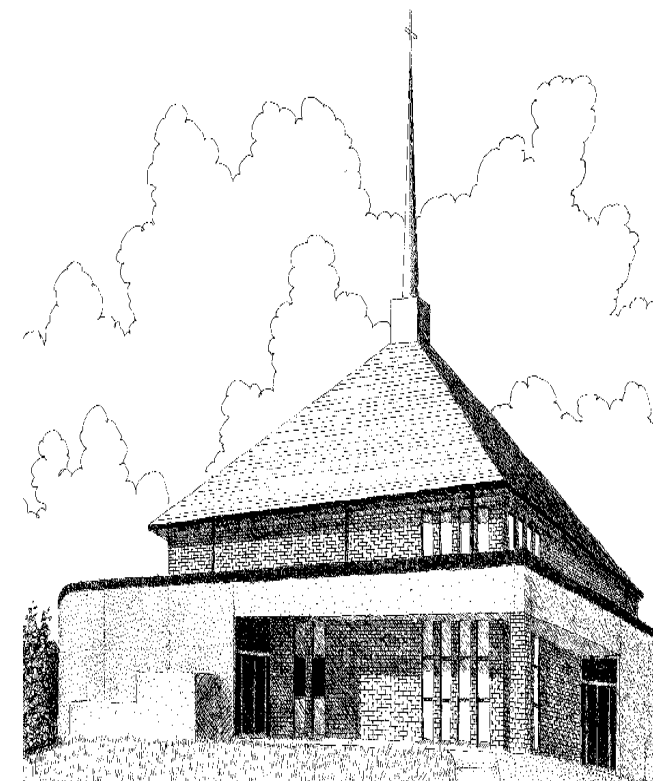

Please remember our new traffic pattern for our drop off and pickup for the school day. All students are dropped off and picked up only from under the portico at the ARC this year. Parents, please enter the campus from the entrance on the lower level of the campus near the ARC. There are 2 designated lanes for drop-off and pickup. The lane under the portico that is closest to the building is for parents who must stop their vehicles and get out to pick up and secure car seats for our little ones. Traffic will keep moving once we have escorted your child to your car. We thank you for your support of the efforts of the ACA staff to serve you better and keep our students safe!

Many thanks to all who have donated Legos to the classrooms at ACA. The students are enjoying sharing their knowledge of how to apply their learning in math. GOT A BOX OF LEGOS IN THE GARAGE OR THE TOP OF YOUR GROWN STUDENT'S CLOSET? WE WILL STILL TAKE THEM AND BE ABSOLUTELY GRATEFUL FOR THE CONTRIBUTION!!!
