Church Budget

Through June 11th, 2011

	Month	YTD
Income	\$10,212.08	\$143,344.26
Expense	\$ 5,886.52	\$169,521.33
Tithe	\$20,755.02	\$206,859.25

"The Church Budget is based on 75% of our annual Tithe. We are suggesting that for every dollar you pay in tithe, give .76 cents to Church Budget so we can reach our goal. Tithe does not fund the church expenses needed each month to operate the church and its ministries. Since tithe is not used to pay for local church expenses, we hope that when you return tithe you will also contribute to the church budget."
